Hello Fire Football Families,

It’s time to get to work. The planning and preparing begins for Fall Football 2017!

Below is our summer schedule. Nothing is mandatory for our boys until August 14th when our season begins officially (fall schedule will be coming soon). However, we have planned many opportunities for them to have the best high school football experience possible.

The most valuable experience for our players is the Holy Intense Training (HIT) Football Camp.

Again, nothing is mandatory until August but all opportunities below will help your son be successful.

On Fire,

Dave Hopkins
